Because it's disgusting
Say Shou why do you hate your own face ?
Is that so? Your face is just one part of you isn't it ?
What's important is you yourself isn't it ?
Grandfather
Also I find your face cute

Shou you are my precious grandchild
But remember this
It's alright if you did not understand what i said right now
So
So..?
What?

Ah I see
I fell asleep
Grandfather who raised me since my mother passed away
It's been a while since I have had a dream about
Good morning Will
What was it that grandfather said I wonder?

Why are you in my room??
Why?
Well even though it's already noon
What are you doing??
Because you fell asleep while holding onto my clothes
!!!
What a childish thing to do so embarrassing
S... sorry
No You worked hard yesterday thank you

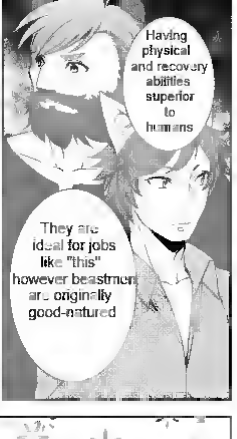
Will ? Are you awake ?
Dad!
John-Sensei
The rest is for the order of knights to handle
Well...
House Veltor and the three shadows what will happen to them?

ok
Lets go hear what he has to say
Eh?
We need to talk a bit about the three shadows

More importantly is that a human ?
Who is that!?
So the shadows were beastmen
I taught you about them before they are one of the races that live in Teoa
Beast men?

Sir!
I'm thinking of sending them back home
Is that true ?
!

A..... something like a suspended sentence
I'm thinking of sending a request to Teoo to put them under protection for a few years



Having physical and recovery abilities superior to humans
They are ideal for jobs like "this" however beastmen are originally good-natured

Um.
Wasn't there one more?

It's not like they themselves are at fault
Right. they were just manipulated by the slave collar

Those two are as you can see adults
Yea
That is the reason i called you over here
eh?
But the last one is a young lady
She's still confused and incapable of grasping the situation
And you are probably the person she will be least wary of
Won't you talk to her ?

!!
A child?
Hello
What ?
Are you alright ?

There is no such place
um..
eh?
Go back home
The two who were with you will go back home
You will go back with them
That is why, there is nothing Left for me there
!!
I was living in an orphanage but I was sold to the shadow by the people over there
All I have left are these disgusting ears

I feel like I understand her feelings
Disgusting? I think they are cute though
That s a lie!
Because of these ears I have been bullied at the orphanage
No matter how much it is praised one s complex won t disappear that easily
Even I still don t like my own face
...

It's quite distorted
looking at it objectvicy
But
At that time grandfather
What was it that he said?
For me and for her as well
Aren't your ears just a part of you?
Huh?
It's only a part

Now I feel like I somewhat understand those words
The problem lies within one's own heart
part?
I believe that what's important is you yourself
The words that grandfather told me at that time and that I couldn't understand at the time
Also regardless of how you feel about your ears
I like them and find them cute
!!
The fact that I was not needed made me sad
The fact that I was alone because of my own face was painful

That is why grandfather taught me those words
Shou you are my precious grandchild
So
I would like you to stay here
That's why

Just a word of encouragement to help affirm oneself
Thank you
yea
Thank you
grandfather
俺も

Why are you also crying?
umm
Why indeed maybe because I saw you cry
huhe
Seems like it went ok
Yea
.....

Their status and rights will be revoked and they will be punished accordingly
I understand
Ah John concerning your family
Yes

I would like to ask you to continue teaching Will as usual
Ok!
It s also been decided that their territory and it s people will be put under House Beryl s care
I see

Slave Collar
That's right a demonic tool that is difficult to obtain even for honse Beryl
Bnt what concems me is that collar that the beastmen had on them
Why did mere visconnts like honse Veltor have things like that
I don't believe this matter has concluded with this
